On Monday afternoon thirty rebels held a meeting in the Pao Yuen 保元 Hospital on Bubbling Well Road discussing the place wherein the remain of the late Chueh Ling Hsu 闕麟書 who was a noted rebel and died in the Sasaki Hospital on the 5rd inst., is to be buried. Afterwards they decided that the Government be approached to give a piece of land near the West Lake, in Hangchow, on which to build the late Mr. Chueh's tomb. They will also tender a memorial service in honour of their deceased associate. One Nyoh Tien Lai 葉天籟 was selected to discuss these matters with Tuchun Lu of Chekiang. The venue of the late Chueh's memorial service will be at Chang Su-ho's Garden. During the meeting one Chang Kung Cheng 張恭辰 suggested that the proposed memorial service should not only be for Chueh but for Daung Chi Sin 唐繼馨 also as Daung was an old associate of Chueh. This was approved.

(Daung was recently abducted from the Settlement and shot in Peking by the late Yuan Shih Kai's Government.
